Education

2019-09 - 2023-04

Bachelor of Science (Dual Degree): Computer Science And Business Administration

Wilfrid Laurier University - Waterloo, ON, Canada
Dual Major Program - GPA 3.5+

2015-08 - 2019-06

High School Diploma

Blyth Academy Thornhill - Thornhill, ON, Canada
Graduated with 4.0 GPA and honors

Work History

2019-07 - 2020-08

CSSI Alumni 2019

Google, New York, NY

- Selected among 30 students to participate in Google's highly selective CSSI program.
- Built a food sustainability web app called Pass the Plate from bottom up in three days using HTML/CSS, JS, SQL, and the Jinja2 python web framework.
- Presented at Google NYC on stage to live audience of 60+ people.

2020-06 - 2020-08

Leasing Assistant

Ascent Apartments, San Jose, CA

- Developed Bloom, a pool reservation booking CRM using Django designed to manage reservations and facilitate booking. A self-initiated and directed project, Bloom was created out of the need for a better solution to the system that was utilitzed while I was working as a leasing assistant-bloomreservations.com
- Provided all around assistance by handling calls, maintenance issues and pool reservations among many other tasks.

2020-03 -

Business Development Executive

Dropshipping

Gaming

Musical Performing

Websites

- Bloom Reservations - bloomreservations.com
- Personal Website - moihej.com
- Yourdrobe - yourdrobe.ca

2020-04 *Students Offering Support, Waterloo, ON, Canada*

- Managed business development initiatives at the Laurier chapter of SOS, a student-run business that offers university level crash courses with the objective of funding educational development in South America.
- Investigated and pursued business opportunities through sponsorships, partnerships and fundraising.

Accomplishments

Hewlett Packard Business Case Competition Finalist
Developed concept and business plan for a compact wireless printer designed to attract younger demographics. Finished in top 5 out of 300 teams.
